# **Spiritual Alliance of Communities for Reproductive Dignity (SACReD)**

SACReD is an alliance of religious leaders, congregations, movement organizations, activists, and academics collaborating to advance Reproductive Justice through congregational education, culture change, community building, and direct service.

We mobilize faith  
congregations to  
support **reproductive  
dignity** within their  
own communities  
and in the public  
square.

# Vision

In a SACReD world,  
religious  
communities shift  
the culture to make  
Reproductive  
Justice a lived  
reality.

# Mission

Our mission is to create and equip a network of spiritual communities with liberative religious education & practices that shift our culture to advance Reproductive Justice.

We affirm bodily autonomy and moral agency, celebrate healthy sexuality, and advocate for reproductive dignity to support the flourishing of all people and families.

# SACReD Leadership

SACReD Co-Executive Directors

Revs. Angela Tyler-Williams and Latishia James

SACReD Governing Board Co-Chairs

Rev. Dr. Andrea Vassell and Rev. Rob Keithan

**The SACReD Governing Board is comprised of clergy, academics, activists, Reproductive Justice leaders, and students. We are multi-faith, multi-ethnic, sexually + gender diverse, and most importantly committed to principled struggle as we work together for a world where Reproductive Justice is a lived reality for every body and everybody.**

# Why Support the 2024 SACReD Gathering

## [Our Theory of Sponsorship](#) | [Create Culture Change: Sponsorship as Mutual Aid](#)

The 2024 SACReD Gathering is an opportunity for SACReD to continue to strengthen partnerships within the faith and reproductive health, rights, and justice space. Due to the lack of support for the infrastructure of the faith and Reproductive Justice movement many of us have worked in silos for years, unaware that there were others working to combat the stigma around religion and abortion/reproductive access. In part, because the opposition is loud and wrong about what most faith traditions say about abortion and position themselves as the spokesperson for not only all Christians but all people of faith. When you support SACReD you support an interconnected network of faith-based initiatives, advocacy, and power-building that connects faith-rooted advocates across the country.

# More About 2024 SACReD Gathering

- The theme for this year's Gathering is: Ignite Healing | Rewrite the Narrative | Create Culture Change
- Each day of the conference will have workshops and plenaries centered around each focus area, the workshops will take place after the daily plenary. We are currently finalizing our keynote speakers.
- **Day 1:** Ignite Healing | We will host a keynote, followed by a conversation with those who work at the intersections of faith/spirituality, healing justice, and sexual + reproductive justice
- **Day 2:** Rewrite the Narrative | We will host a keynote, followed by Ted-style talks and storytelling from activists, scholars, and impacted individuals in a Post-Roe World
- **Day 3:** Create Culture Change | We will host a keynote, followed by a conversation where prominent leaders in movement will speak to the importance of knowing your role and how we can be in principled struggle together for our collective goals
